16/132 Public Questions

- 132.1 Barrie Randall, Allotment Holder tabled some diagrams showing the existing entrance and the proposal to change it as a feasible solution to keep the access in the same location but allow the gate to be sited off the access road which will allow better access to the existing allotment car park

16/133 Apologies for absence

- 133.1 The following apologies were received and approved:

Cllrs A Walker, S Allen, D Harris, A Huddart and N Stansfield

16/134 Declaration of Members' Interests

- 134.1 No declarations were received.

16/135 Allotment Proposal

- 135.1 The Parish Council discussed the proposal and recommendation of extending the proposed entrance road to about 20m and allowing the resiting of the gate. This however would require additional funding for the construction works and the additional fencing requirements.

A revised set of construction drawings will also be required.

Stuart Hoskins who works for Kierswsp attended the meeting and updated the Council on the proposed changes. The Parish Council agreed that the proposed scheme would seem a more practical solution for the existing plot holders and therefore in principle they agreed with the scheme subject to additional costs.

16/136 Date of Next Meeting

- 136.1 The date of the next Full Council Meeting is the 3rd November at 7.30pm in the Community Centre.

There being no further business the Chairman closed the meeting at 9.00pm
