

Northamptonshire County Council

Household Waste Recycling Centre (HWRC) Bulletin 2014/15

Dear Parish/Town Council

As you may be aware the County Council has been facing significant reductions to the funding it receives from central government which, along with your council tax, pays for the HWRC service we provide to you.

Following on from our recent public consultation, new plans on how Northamptonshire's HWRCs will be run have been agreed by the County Council's cabinet committee on 9th December. Using feedback from this consultation, the council refined the proposals, which have now been agreed, and will be implemented from February 1, 2015. The agreed changes, favoured by the majority of people surveyed, include - nine sites to be open five days a week and opening hours of all sites will change to 10am to 6pm all year round (see reverse of this bulletin for opening times of all HWRCs).

One of the proposals had been to close Wollaston HWRC but we are hopeful that this can be avoided as the authority is exploring the possibility of the site being run by a third party.

The above information will be provided as an A5 size leaflet (10 copies along with this bulletin will be posted to you shortly) which will be available at Council information points, libraries and HWRCs. Further information on the HWRC service is available online at: www.northamptonshire.gov.uk/hwrc .

Kind regards

NCC Waste Management

OPENING TIMES OF HOUSEHOLD WASTE RECYCLING CENTRES (HWRCS) FROM 1ST FEBRUARY 2015
