

For individual residents wanting to register objections to the 2.67m sq ft warehouse planning application alongside the M1 and Junction 15 – time is short. Objections must be sent to South Northants District Council by 23rd January. It is important that as many individual letters or Emails as possible are sent to SNC as each will then have to be registered.

The address is Suzanne Taylor, Development Services, SNC, Springfields, Towcester NN12 6AE (Tel: 01307 322237) Email: planning@Southnorthants.gov.uk and Emails or letters should quote Planning Application S/2014/2468/EIA.
