

What do Street Watch members do?

- You patrol your local area for two hours every month, at times that suit you
- You will patrol in pairs, alongside one of your neighbours, talk to people you meet and encourage them to take an active interest in keeping your area safe
- So your neighbours know what you are there for, you will wear a high visibility Street Watch jacket
- Your local Street Watch co-ordinator will give you day to day support, so you know what to look out for
- You will also have support from your local police

Northamptonshire Street Watch

Northamptonshire Street Watch

Street Watch is about you and your neighbours working together to keep your area safe

Simply walking around in your own neighbourhood, talking with your friends and neighbours, can do that

Street Watch also gives you an opportunity to get involved in other things that will help in your community

Local police will keep in regular contact with Street Watch members to share information and work with you to keep your area safe

If you are interested in supporting your community by joining Northamptonshire Street Watch, please visit
www.northants.police.uk/streetwatch

The purpose of Street Watch is to:

- Be visible in your neighbourhood, showing that your community cares
- Tell the police and council what is happening in your area so they can help
- Encourage others to get involved in making your community feel safe

Street Watch tells others that you are supporting your community and that your neighbourhood takes pride in itself
