

South Northants Council

Summer of fun about to commence

Spaces are being booked up fast as preparations are made for the first events in the south Northamptonshire Sports, Play Leisure and Arts (SPLAT) programme of children's summer activities.

While hundreds of bookings have already been made, and thousands expected over the holiday, there are still some places left on next week's Activity Hubs in Bugbrooke, Deanshanger, and Roade.

The Activity Hubs also take place in Silverstone and Middleton Cheney throughout the summer and include a wide range of sports and crafts from African drumming to iPad arts and from archery to martial arts.

Activities are suitable for children aged eight to 16 and run from 10am to 3pm each day between Monday, 28 July and Friday, 22 August.

They cost £15 per child for a full day and £8 for a half day.

The SPLAT programme is organised by South Northants Council and a full brochure of activities can be downloaded from the Council website at -

www.southnorthants.gov.uk/SPLAT.htm - or call the booking line on 01327 322277.
