

Holiday Activity Consultation

The Leisure Team at South Northamptonshire Council
wants your views on how we can develop SPLAT in
South Northants.

Each year we run a number of different activities across South
Northants and are looking to continually develop and improve
our service.

Visit

to complete our online questionnaire
(paper copies available on request)

For two entries there will be the chance to win a £20 voucher
towards SPLAT activities in 2014.

Your views matter, if you used SPLAT before or not.
